Colleagues,

I bring you greetings from the University Women's Club! I hope that you had a summer full of recreation and rest. Now that the fall 2017 semester has started at SFA, it is time to think about your membership in the University Women's Club (UWC). Membership is open to women who are on the Faculty or are non-classified/exempt staff and/or who are the spouses/partners of faculty and exempt staff.

The members of the UWC involve themselves in service, in philanthropy, and in networking. The first event of this year will be a Welcome at the Old University Building on Thursday September 28th from 4-6pm. You will be able to visit this historic building while meeting our members and enjoying refreshments. An important goal for our group is raising funds for scholarships that we award to young SFA women each spring. This fall our goal is to raise \$1000 towards our endowment in order to be able to award additional scholarships. Please consider giving in addition to your membership dues.

Networking opportunities exist by socializing with colleagues who participate in the mid-morning coffee group that meets the second Thursday of each month and joining colleagues who attend the socials at the Liberty Bell Bar on the last Tuesday of each month, 5:00-7:00 PM. Special events planned for this year include our annual Holiday reception, Spring Luncheon and the possibility of a new silent auction to help raise scholarship funds.

Our service to the community includes serving as docents in the Old University Building (OUB) as a member organization in the Federation of Women. The Federation will be hosting Tea at the OUB on Saturday October 14th and Sunday October 15th. Tickets are \$25 each and available on a first come, first served basis. Contact our Delegate, Donna Heeney for tickets and information. Funds go toward upkeep and preservation of the OUB.

Attached is the UWC membership card to join or renew your annual membership. We hope to see you on September 28th, or please return your check and information to the address on the membership card by October 6, 2017. Working together makes us all stronger.
